MARK YOUR CALENDAR JUNE 13—15, 2018 AL-APSE CONFERENCE

The 2018 AL-APSE conference will be held in Birmingham at the Hyatt Regency, The Wynfrey Hotel. This sophisticated hotel is connected to the Riverchase Galleria and is a chic, upscale hotel in the heart of Hoover. This former Wynfrey Hotel blends

traditional Southern hospitality with all the modern conveniences of home. Guests will enjoy state-of-the-art StayFit™ Gym, sauna, and seasonal rooftop outdoor pool, to soak in the Southern sun with a view all day (when not in sessions of course)! *(Co-sponsors Pending!)* Conference updates can be found at www.al-apse.org when available!

For more than 15 years, Alabama APSE has hosted a silent auction to support our Dinē Barclay Scholarship which provides funding for an individual and/or their family member to attend the National APSE Conference. Recently, the AL-APSE Board decided to split the proceeds from the auction between the Barclay and Sheehan Scholarships. The Sheehan Scholarship provides \$1,500.00 funding to an individual with a disability pursuing “higher learning”.

The Sheehan Scholarship is also funded by United Cerebral Palsy of Mobile. At the 2018 conference, AL-APSE will introduce a new fundraiser, yet to be named! The conference space would make an auction challenging so we’ve decided to take an auction break and introduce something different! Stay tuned for the yet to be named FUNDRAISERer!!!!

2018 Conference Featured Opening Keynote

Dr. Adolph Brown shocks millions globally by exposing truths about how to achieve monumental success despite where you are from, labels placed on

you, and self-defeating attitudes. He is an accomplished master teacher, CEO of a multi-million dollar corporation, author & humorist in high demand to give keynote commentaries on critical Education & Workplace issues. Through his award winning seminars, power-packed training sessions, best-selling books, and 1:1 coaching sessions, Dr. Adolph Brown has made success a reality for thousands worldwide! However, of utmost importance to Doc and his entire staff is the establishment of a million dollar scholarship endowment for hardworking young people, whereby Doc contributes 1/3 of all consultation fees to its development.

Doc readily admits that he may have been from “the bottom of life,” but he was growing up under the influence and tutelage of his mother, his grandfather, and his aunt Lorraine. As a result of these individuals and a “village” of caring business and education community members, he was the first person in his family of five to graduate from high school. He was also the first of his family members to attend college, and the list goes on! Nowadays, as a corporate executive, professor, education/clinical psychologist, author, philanthropist, television talk show host, and master teacher, he shares with others the essential tools and resources to transcend a life of “mediocrity” to a life filled with supernatural success and joy. Whether from the stage or as a program consultant, he inspires EXCELLENCE for all, from troubled youth to status quo corporations and priority schools. Dr. Brown is scheduled to speak at 3:00 p.m. on 6/13/18

Employment First In Alabama

For more than five years Alabama has supported Alabama’s focus on employment as a first option for people with disabilities through education and promotion of an “employment first” philosophy. With funding and support from the Alabama Council on Developmental Disabilities (ACDD), the Office on Disability Employment Policy (ODEP), the State Employment Leadership Network (SELN), and AL-APSE, the state has developed and implemented multiple initiatives that’s helped to expand and improve services that’s resulted in increased employment outcomes. Some of these initiatives include the development of an interagency team of state agencies partnering to share expertise and resources to make employment a priority. These core partner agencies include the State Department of Education, Workforce Development, Alabama Medicaid Agency, Vocational Rehabilitation (ADRS), ADMH Divisions of Mental Illness/Substance Abuse and Developmental Disabilities.
